

Quilting on the Line Quilt Guild

2023 Membership Form

Annual dues in the amount of \$20.00 are expected to be paid by January 31st. (Since a general reminder was not sent in the November newsletter, we have extended the deadline and members may pay by mail through February 14.) If dues are not paid by February 14, the member's record will be marked inactive and said member will have no voting privileges. Dues will not be pro-rated for members joining mid-year.

Membership is open to the public and requires payment of appropriate dues that are not refundable. A membership form must be completed upon application or renewal. No person shall be discriminated against for any reason.

Members are eligible to vote, to attend monthly meetings, and to participate in Show & Tell and other activities. Some activities may involve additional costs. Members are encouraged to serve on at least one committee, to participate in the annual quilt show or bingo, and in the guild's major projects.
