### Month 3

From blue #1 and blue #6, cut (4) 3-1/2" x WOF strips. Make a strip set alternating fabrics with all (8) strips. (Figure 6) Cut (8) 4-1/2" wide segments. Aligning template C with seamline of above segments, cut (52) C triangles. (Figures 7, 8, and 9) Always keep the same fabric on the left when cutting these segments.

If you have Creative Grids rulers Triangle Squared and Perfect Rectangle, they work perfectly with this pattern. (Figures 10 and 11)

From background fabric, cut (9) 4-1/2" strips. Cut (52) D triangles and (52) D triangles reversed. Fold strips in half with selvedge edges together and cut 2-at-a-time and one will be reversed. (Figures 12, 13, 14 and 15) Save remaining strips for Month 5.

Stitch D triangles to C triangle as shown. (Figures 16 and 17) Make 52 units.

**The templates will be  
provided through email.**
