QUILT Challenge for the November Meeting:

Bring the Challenge quilt to the November meeting. There still is time to make a quilt. To review, make a Children's quilt either approximately, 40x40 or 40x60. All Scrappy, front and back from materials you already have or glean from others. Be Creative. If you want, make a duffle bag or tote bag for each quilt (not required). All quilts will be donated to Comfort for Kids.
Members will vote for the top 4 in each size category. Each winner will receive $25.00 for 8 prizes total. Criteria will be " The most interesting or creative use of scraps". You will vote for your top 4 choices in each category. If you want, to aid in choosing, please write or type the "story" of the quilt, in one paragraph to attach to the quilt. Describe the materials, pattern, or past usage of the materials or just your inspiration for the quilt.

Upon arrival at the meeting, please give the quilts to Ruth Anne. A number will be assigned to the quilt, and it will be displayed on the front table for everyone to view. I look forward to seeing everyone's creation.
